

September 2018

Dear Friend,

The fall holidays are here!

The **window of blessing** God promises to open over you is passing by right now!

This year's third and final First Fruits offering — Sukkot — is just a few days away!

This “**appointed time**” on God's calendar is the most important offering of the year. It's when the Lord's spiritual and financial promises are fulfilled exceedingly, abundantly above all you could ask or think.

It's the high point of the spiritual momentum that's been building during this special 40-day season of the shofar — **a time of breakthrough and blessing.**

One of the major promises God releases as you sow your First Fruits is found in Proverbs 3:9-10:

*Honor the Lord with your wealth and with the firstfruits of
all your income. Then your granaries will be filled
and your vats overflow with new wine.*

The Lord is showing you He is ready to take you to a new level of wisdom, favor, provision and prosperity!

Ancient wisdom calls this the offering with no limits.

It comes from the promise in Malachi 3:10 that teaches what the First Fruits offering is all about.

“Test me in this,” says the Lord Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.”

It’s one of the greatest financial revelations in all the Bible. However, it’s been lost to most Christians because the traditional church cut ordinary people off from the Jewish roots of our faith.

In biblical times, God’s people understood the power and provision God would release at this special time. During Passover and Pentecost, the other two First Fruits celebrations, it’s said that only 1/3 of the people would gather in Jerusalem.

For Sukkot it was different. 100% of the people would gather to experience the outpouring that the prophet Joel calls the former and the latter rain. (See Joel 2)

It’s only now in these last days, as the Messiah is ready to return, that **God is revealing and restoring mysteries like this so He can release miracles.**

Our prayer for you is that you walk right into this outpouring of blessing — spiritually and financially. The prophet Haggai in Haggai 2:19 reminds us how when he asks, *“Is the seed still in the barn?”*

Your response to this question is so important to your future. You see, if your First Fruits seed stays in your barn and never gets planted, there will be no harvest. **Don’t let this happen to you.**

Today, I’m asking you to respond in faith. Have confidence in the promises of God. Take your seed out of the barn. Put it into the fertile ground of Larry Huch Ministries. **Then immediately begin to expect, pray and thank the Lord for His outpouring of blessing!**

Sukkot will be here soon! (It begins at sundown on Sunday, September 23 and concludes at sundown on Sunday, September 30.) Here at New Beginnings Church we will celebrate together during a special Sukkot service on the 23rd.

Tiz and I will not only pray over your offering to release the blessing of the Lord; **we will use it to bless Israel through Project Aliyah.**

One of the greatest secrets you will ever learn from ancient Jewish wisdom is that just before God brings you a blessing, He first gives you an opportunity to be a blessing.

We can assure you there is no better way to be a blessing than to bless Israel and the Jewish people.

That's why we're partnering with the Israeli Government to provide funding to bring Jews back to their ancient homeland — Israel.

There are so many of God's people living in places like Ethiopia and Ukraine, where they are facing discrimination, persecution and poverty. They long to return — to "aliyah" — to their ancestral home, but they simply do not have the resources. **They urgently need our help!**

Government officials from Israel have asked us to raise funds for the plane tickets, which on average cost \$750 each. When possible this also covers some of the other immigration expenses.

Your gift of any amount can change lives! Even if you are only able to sow \$25 or \$100, your gift will be combined with others' gifts to pay for one person's airfare.

When these wonderful people step off the plane onto Jewish soil, you can't imagine the joy and happiness they feel. It's really a dream come true!

Just a few weeks ago, a plane we helped sponsor arrived at Ben Gurion airport in Tel Aviv with several hundred new immigrants. (You can watch the video on our website.) What an amazing accomplishment... **but there are more people waiting!**

If God has blessed you with the finances to plant a major seed into this project, please prayerfully consider sponsoring the flights of 3, 5 or even 10 deserving Jewish people!

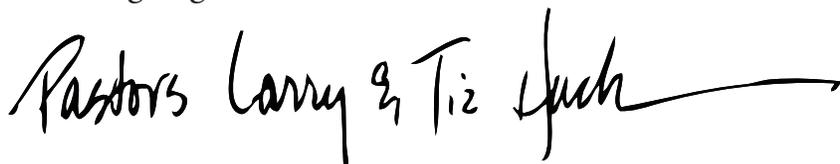

Whatever God leads you to do, please do it today! Your offering will demonstrate the love of God to the people of Israel **as if you are doing this for the Lord Himself!**
(See Matthew 25:40)

Your Sukkot First Fruits offering is really your most important offering of the year. The Lord uses it to determine the amount of your harvest — your increase — until the next window arrives at Passover next year.

As you sow this seed, you are entering into a dimension of blessing and prosperity you can't get to any other way. **You are also fulfilling powerful biblical prophecy as you help God's people return to the Promised Land.**

Needless to say, Tiz and I are very excited for what God is about to do **in** your life and **through** your life!

P.S. Tiz and I want to thank you for sowing this Sukkot First Fruits seed. We know your generosity will produce a miracle harvest in your life! It will also be a **tremendous blessing to Israel through Project Aliyah.** Thank you so much for partnering with us to change the world.
