Full Length Wool Esther Tallit and Bag

Designed and woven in Israel, this elegant 24" Esther tallit is 100% soft wool and displays Esther's traditional pink and gold crown on royal purple. The matching bag is also royal purple with a pink and gold crown and scepter insignias.

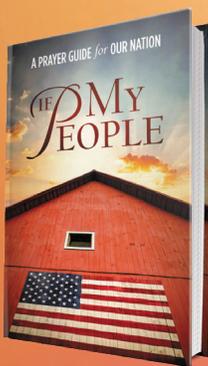

Decorated in Hebrew are Esther's words, "For such a time as this" and the corners say "So that the King set the royal crown upon her head" and "The King extended to Esther the gold scepter that was in his hand." This majestic prayer shawl reminds us that no matter what our enemies may bring against us, God is ready to turn the story upside down and cause all things to work together for our good!

Esther Scroll

This beautiful Scripture scroll contains the entire Book of Esther — in both Hebrew and English — with spectacular artwork in vivid colors. A reproduction of the original Megillat, this scroll comes with a handsome case (16" tall and 4 1/4" in diameter) to protect and display this stunning work of art in your home or office.

Traditionally, the story of Esther is read from a handwritten scroll on the biblical holiday of Purim every year as a way of building faith and celebrating the victory of God's people over all their enemies. Every time you see your personal Esther scroll, you will be reminded that "all things work together for good to those who love God." (Romans 8:28)
